SPARE COPIES ____

The Assistant Director of Fisheries (Coast),Calicut reports that at a general body meeting held on 24th January 1946 the members of the Gangooli Fishermen Co-operative society have passed a resolution requesting that the sub-Inspector of Gangooli Fish Curing Yard may be permitted to hold the office of Ex-Officio Secretary of the above society and recommends that their request may be granted on the grounds that most of the members of the society are poor illiterate fishermen not capable of managing their affairs independently without the help of the local departmental officers and their society has been languishing for want of the services of educated men on itsx board. The Deputy Director of Fisheries (Marine) has

P.T.O.
